MORPHO-PSYCHOLOGICAL ANALYSIS

Flash & Bauer method

Last name / First name: [REDACTED]

Date of birth: [REDACTED]

Date of analysis: [REDACTED]

1. General shape of the face:

A full, heart-shaped face with a frank, soft modelling.

→ This is the face of the viscerally generous, the unapologetically faithful, of those who love deeply, laugh frankly, and live intensely. [REDACTED] exudes a natural vitality that is reassuring, warm, and lively.

2. Regard :

Eyes full, bright, smiling, firmly in focus.

→ [REDACTED] looks at the world as a loyal friend, a genuine ally, with a form of spontaneous inner joy. Her gaze conveys great confidence in life, but also a quiet strength, ready to stand up for what matters.

3. Eyebrows and forehead:

Expressive, marked, structuring eyebrows; round, flowing forehead.

→ Strong emotional intelligence. [REDACTED] feels before she conceptualises, but she doesn't get lost in emotion: she structures her impressions and makes them useful. She has the compass in her heart, but the GPS in her head.

4. Mouth and smile :

Sunny smile, wide, frank, communicative.

→ Here's someone who gives joy, even without speaking. His smile creates a climate of openness, an invitation to be oneself, without a mask. It's a precious quality - you can't learn it, you can't fake it, you are it... or you aren't.

5. Jaw and neck :

Firm structure, anchored, but without tension.

→ [REDACTED] is proud, but never rigid. She knows what she wants, she knows what she's worth, but she has no aggression in her posture. She's a woman who's solid on the inside, but soft in her welcome.

Conclusion

Suggested psychological profile: [REDACTED] is a cheerful caretaker, a clear-sighted companion, a pillar presence in the teams she chooses. She doesn't pretend, she does it with love, courage and loyalty. She embodies a new generation of consciousness, grounded, smiling and unfiltered, ready to let the light shine... without ever extinguishing it in others.
